Missouri Articulation Agreement Guidelines

Automotive Technology

Students who complete the qualifications below will receive articulated credit to the Missouri two-year postsecondary institution of their choice in the automotive technology area.

- Student must achieve a minimum 3.0 GPA (4.0 = "A") in the secondary automotive area.
- Student must complete coursework in a National Automotive Technicians Education Foundation (NATEF) accredited program.
- Student must achieve a score of 75% or higher on the NATEF End-of-Program exam(s) administered by the secondary school's assessment center or postsecondary institution.

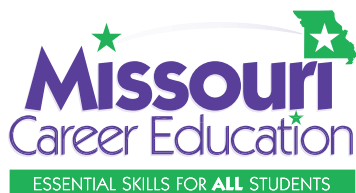

Upon meeting the respective postsecondary institution's admission requirements, the student will receive minimum college credits as listed below. Postsecondary institutions may (but are not required to) limit credits awarded to those areas related to comparable courses.

- Brakes (3 hours)
- Electrical/Electronic Systems (3 hours)
- Engine Performance (3 hours)
- Suspension and Steering (3 hours)

Dates of credit awarded will be determined by the postsecondary institution. Additional credit may be transcribed at the discretion of the postsecondary institution, i.e., additional coursework above the four core areas or additional competencies in excess of NATEF requirements.

The articulation agreement is valid for up to two years for any student who completes the requirements identified above.

The articulation agreement will be reviewed annually and revised as needed by the Automotive Articulation Advisory Committee.

If you have questions, please contact the Coordinator of the Division of Career Education at 573-751-3500.
